This document captures the SY 2020-2021 School Performance Plan Goals and Strategies for [school name]. The School Performance Plan (SPP) is a blueprint designed to support principals and school leadership teams in improving overall school performance, with an emphasis on instruction and student achievement. It serves as a year-round anchor in conversations between the district office, schools, and communities.

These goals and strategies were drafted by the school with community and stakeholder feedback and are currently in draft form.

Literacy Plan	
<b>SMART Goal #1</b>	60% of students will make progress towards typical growth as according to iReady between the first and final diagnostic.
<b>Evidence-Based Strategy 1:</b> Allow for Spaced and Repeat Practice through assigned work out of class & work during class with opportunities for feedback to & from students. Repeat practice spaced over time--such as having students recall information from earlier in the course--helps solidify their learning. ## Math Plan

**SMART Goal**

60% of students will achieve typical progress towards growth goals as set by iReady on the Math Diagnostic.

**Evidence-Based Strategy 1:**

Give Feedback to Students regularly—on work that is a low stakes grade—in a feedback loop. Think "homework", classwork and quizzes. Encourage students to evaluate their own assessment results. (this language is taken directly from the University of Clemson's Office of Teaching Effectiveness and Innovation).
